

# Blending

what is blending?

A dark blue, solid-colored shape that starts from the bottom left corner and extends diagonally upwards to the right, covering the bottom half of the slide.

# What is blending?

Blending is the connection of two words or more in a sentences.

Blending requires you to take a deep breath push out there and even create new English sounds

# Why is blending your words important?

In this course you will learn to develop your English speaking rhythm.

This course will help you to make sound more like a native speaker by connecting your words and speaking more smoothly
